

Dear members of Maranatha Bible Chapel,

With the invention of the World Wide Web, we are now able to fulfill the Great Commission even while we are in our own cities and homes. Someone on the next street or the other side of the world can browse what Christ has to offer through us. Our MBC website is a wonderful tool to use in this adventure but we need your help. While great effort has been taken to represent each area of our Church's ministries, our committee needs **your** help. *You* are the ones that represent Christ in your area of ministry and we need your input for getting any information out to others. Please use the form below to let us know just what specifics you want posted on your particular web page.

1. Does the information need to be updated weekly, monthly, quarterly, or yearly?
2. What kind of pictures, if any, do you need.
3. Contact information can be added by personal or church email addresses.
4. Any external links (as long as they are approved) can be included on your page.
5. Date or schedule of events

Update schedule:

(circle which applies) Weekly Monthly Quarterly Yearly

Enclose or attach via email any pictures you choose:
